

Louisiana State University
FY 23-24 Approved Service Centers
Revised October 31, 2023

College of Science

- X-Ray Diffraction Laboratory
- Liquid Nitrogen Cost Center
- Technical Services Group
- CENEX Service Center
- Geomaterials Characterization Laboratory
- Chemistry Mass Spectrometry
- Nuclear Magnetic Resonance (NMR) Facility
- Chemistry Shared Laboratory for Macro and Biomacromolecular Research (SLMBR)

College of Engineering

- Advanced Manufacturing & Machining Facility (AMMF)
- Materials, Manufacturing, Testing & Evaluation Facility (MMTEF)

School of Mass Communication

- Public Policy Research Laboratory (PPRL)

School of Veterinary Medicine

- Advanced Imaging Laboratories
- Gene Probes & Expression Lab
- Histopathology Core
- Pathobiological Sciences Core
- Life Science Animal Care Facility (LSACF)
- Division of Laboratory Animal Medicine (DLAM)
- DLAM Farm Operations

Office of Research & Economic Development

- Shared Instrumentation Facility (SIF)

CAMD

- CAMD Beamlines
- CAMD Cleanroom/LSU Nanofabrication Facility (NFF)

College of Coast & Environment

- Wetland Biogeochemistry Institute Analytical Services (WBIAS)
- Coastal Studies Institute – Field and Lab Services
- Field Support Services

LSU Agricultural Center

- Greenhouse Services Center
- Callegari Water Quality Lab
- AgCenter Biotechnology Lab

Pennington Biomedical Research Center

- PBRC Genomics Core Lab

PBRC Comparative Metabolic and Behavioral Core
PBRC Clinical Super Core
PBRC IDR Core
PBRC Comparative Biology
PBRC Transgenics Core
PBRC Cell Biology and BioImaging Core
