

FACULTY SENATE RESOLUTION 78-02

WHEREAS, incidents involving possible abuse of University academic standards by students' repeating courses for credit have occurred, and

WHEREAS, there is presently no specific policy regulating the repeating of courses for credit,

BE IT RESOLVED, that information be included in the General Catalog designating each course which may be repeated for credit by students who have previously earned a grade of 'C' or better in the course in the LSU System in that course. Specific statements may be included in the course description, (e.g. "This course may be repeated for credit") or a list of courses which may be repeated for credit may be provided under each departmental heading.

BE IT FURTHER RESOLVED, that a course not so designated may not be repeated for credit by a student who has previously earned a grade of 'C' or better in the course in the LSU System, except by special permission of both the Vice-Chancellor for Academic Affairs and the Dean of the student's college

BE IT FURTHER RESOLVED, that no student may enroll concurrently for credit in more than one section of any course without permission of the Department chairman or head and, under no circumstances, may a student enroll concurrently for credit in more than one section of any course when essentially the same material is covered in those sections.
